Dates for your diary:

BIBBA (Bee Improvement and Bee Breeders' Association) is pleased to announce its 50th Anniversary Conference in collaboration with SICAMM (*Societas Internationalis pro Conservazione Apis Melliferae Melliferae*) its European partner.

The Conference, hosted by South Clwyd BKA, is open to everyone with its core focus on bee improvement and the management of native and near native honey bees.

The three-day event will take place from 26th – 28th September 2014 at the Pavilion, Llangollen, North Wales, where delegates will learn about improving their own stocks of honey bees, whilst enjoying an excellent and varied social programme.

For those wishing to extend their visit, the Llangollen area benefits from stunning scenery and a variety of activities and culture to suit all tastes.
